The buzz in Saratoga: PW's glamorous new Manicure Bar and ultra-relaxing Duetto Pedicure Suite are now open. The Duetto suite is perfect for couples or friends who'd like to enjoy a private treatment together. At both locations, treat your hardworking hands and feet to our signature Exotic Manicure and Exotic Pedicure, and bliss out with Wynne Elixirs' gardenia, rose or orange blossom sugar scrubs. If you only have an hour, book a pedicure during your facial; it's a great timesaver and incredibly relaxing.
